Read and learn underlined hard words.

THE POSTMAN

Most cities, towns and even villages have post offices. We know that post mails are sent and received through post offices.

The postman works in a post office. There is one postman in every big village. One postman can look after many small adjoining villages. There are many postmen in a city. The postman handles our letters. He collects them from the Letterbox. He stamps them in the post office and sends them according to the addresses. He delivers the letters, parcels and moneyorders. In our country especially in villages, a postman has to cover long distances to deliver the mail. Some postmen ride bicycles. In the cities, there are many postmen in a post office. They deliver the letters in their respective

The postman brings letters of our near and dear ones.

Parcels- पैसल संघंधित
moneyorders धनोदेश, डाक द्वारा भेजा जाने वाला पैसा

They work very hard. The postman performs his duty well in every season. He is a great friend of the people.
