

Class: 3rd Date: 19th May, 2020

Subject: English Grammar

Write in fair Grammar notebook and learn these.

Gender

Gender is a category of noun. There are four types of Genders.

Masculine Gender: The names of all male persons or animals are called Masculine Gender. **Example:** man, actor, uncle, hero, king, lion etc.

Feminine Gender: The names of all female persons or animals are called Feminine Gender. **Example:** woman, aunt, daughter, actress, queen, lioness etc.

Neuter Gender: Things without life cannot be distinguished either as male or female; hence the names of such things are called Neuter Gender. **Example:** house, knife, tree, chair, table, book, ball etc.

Common Gender: Names that can be used for both males and females are called Common Gender. **Example:** child, parent, student etc.

shepherd	shepherdess
poet	poetess
priest	priestess
host	hostess
author	authoress
heir	heiress
prince	princess
steward	stewardess
count	countess
conductor	conductress
hunter	huntress
prophet	prophetess

Masculine	Feminine
hero	heroine
lad	lass
bridegroom	bride
widow	widower

काबुलीवाला (पृष्ठ-26)

एक काबुलीवाले की कहते हैं लोग कहानी
लाल मिर्च को देख भर गया उसके मुँह में पानी।
सोचा क्या अच्छे दाने हैं, खाने से बल होगा,
यह जरूर इस मौसम का मीठा फल होगा।
बोला, लाल-लाल, पतली छीमी हो अगर चीज़ खाने की।
तो हमको दो तोल छीमियाँ, बस चार आने की।
हाँ, ये तो सब खाते हैं - कुँजड़िन बोली बेचारी।
और सेर भर लाल मिर्च से भर दी उसकी झोली,
जैसे ही मिर्च जीभ पर रखी, उसने ज़ोर दिखाया।
मुँह सारा जल उठा और आँखों में पानी आया।

काबुलीवाला

कविता को सुनिए और उसके आधार पर प्रश्नों के उत्तर दीजिए-

1. कविता किस व्यक्ति के विषय में है?
2. कुँजड़िन क्या बेच रही थी?
3. काबुलीवाले ने मिर्चों को क्या समझा?
4. मिर्च खाकर काबुलीवाले का क्या हाल हुआ?
5. क्या आपने कविता में कोई ऐसा शब्द सुना, जिसका दूसरा नाम 'नेत्र' है?
6. 'मीठा' शब्द का उलटे अर्थ वाला शब्द बताइए।
7. 'जल' शब्द के दो अलग-अलग अर्थ लिखिए।
8. 'काबुलीवाले' में 'वाला' शब्द जुड़ा है। 'वाला' शब्द लगाकर दो अन्य शब्द लिखिए।
9. 'लाल' शब्द का शब्द-भेद बताइए।
10. 'पानी' शब्द के वर्णों को अलग कीजिए।

Solve with statement in notebook.

- 1) There are 5625 boys and 4789 girls in a school. Find the total strength of the school?

- 2) A library has 36897 books of science, 5230 of mathematics and 25070 books of other subjects. How many books in all in the library?
- 3) Ram bought 5283 kg rice, 3564 kg sugar and 6839 kg wheat. What was the total weight of all?
- 4) Pinky purchases a machine for 15380 Rs and a fan for 9775 Rs. How much money she pays in all?

Class: 3rd Subject- S.St.

Chapter-5 (We need Air and Water)

Q18. Name some sources of water.

Ans. Rain, rivers, seas, oceans, wells, tube wells etc. are some sources of water.

Q19. What should be done to purify drinking water?

Ans. We should boil and filter to purify drinking water.

Q20. How can we purify water?

Ans. We can purify water by:

- i. Boiling
- ii. Filtering
- iii. Chlorination
- iv. Distillation
- v. RO (reverse osmosis)

Q21. Which day is celebrated as world water day every year?

Ans. 22 March is celebrated as world water day every year.

Learn and write in notebook with neat and clean handwriting.

Assessment work

Chapter-4 (Birds Behaviour)

Different types of birds

There are about 8600 species of birds. They are the only animals with feathers. Feathers keep them warm and make them fly. Some birds eat grains, seeds and fruits while some others eat flesh and small insects. Birds use their beaks and claws for getting food. Let's discuss about their parts one by one.

Birds beak- Types of beaks depend upon the types of food they eat. Beaks may be short, long, hard, shaggy and horny. They are used to crack, pick and eat grains, to tear flesh and to crush their prey.

1. Strong and hooked beak- This type of beak is used for tearing flesh.

Example- Eagle, owl and vulture.

Hoopoe

Eagle

2. Strong chisel shaped beak- This type of beak is used to drill the wood or crack the nuts.

Example- Hoopoe and woodpecker.

Answer the following questions.

- (1) How many species birds are there?
- (2) How does feathers help a bird?
- (3) What kind of food birds eat?
- (4) What help a bird getting food?

- (5) Type of beak depend upon _____ of food.
- (6) Strong and hooked beak is used for _____ flesh.
- (7) What kind of beak woodpecker have?

H.W. –Try to find answer of these questions and write in your notebook. Answers to these questions will be given tomorrow.

Solve it and check your answer in video. Fill it with pencil.

MODEL TEST PAPER-I

(Based on Chapters 1 to 3)

Instructions

- Read the question paper carefully.
- Do not over write. Write neatly.

MM 20

I. State True or False.

[4]

1. Plants get their food from animals.
2. All living things need food to grow.
3. Shoot grows above the soil.
4. There is a baby plant inside the bud.

II. Fill in the blanks with the help of words given in the box.

[4]

domestic photosynthesis gnaw trunk

1. Thick strong and woody stems of big trees are called _____.
2. The process by which green plants make their food with the help of air, water and sunlight is called _____.
3. Animals like dog, hen, cat, cow are _____ animals.
4. Animals like rabbit and squirrel _____ their food.

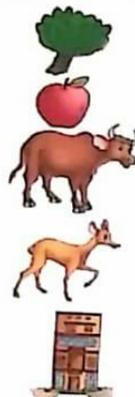

III. Match the discription with the pictures.

Class: 3rd Subject: G.K.

Q. 1 How many districts were there in Haryana when it was formed?

Ans. 7

Q. 2 How many lakes are there in Haryana?

Ans. 6

Q. 3 Which is the largest city of Haryana in term of population?

Ans. Faridabad

Q. 4 Which is the largest city of Haryana in term of area?

Ans. Bhiwani

Q. 5 What is the capital of Rajasthan?

Ans. Jaipur

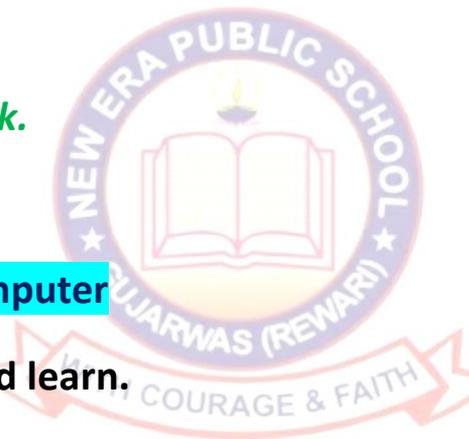

Q. 6 Where is Sultanpur lake situated in Haryana?

Ans. Gurugram District

#Learn and write in notebook.

Class: 3rd Subject: Computer

See book page no -10, fill and learn.

B. Fill in the blank using the given words.

Hardware, Compact Disk, printer, instructions

1. ----- refers to those part of the computer that we can see, touch and work upon.

Ans : - Hardware .

2 . ----- is a round, shiny and circular disc.

Ans : - Compact Disk.

3 . Input device is used to give ----- to the computer.

Ans : - instruction.

4. A ----- helps us to print on a paper.

Ans : - printer.

D. Write true and false statements.

1 . A keyboard has keys on it.

Ans :- True.

2. A CPU is made up of three parts.

Ans : - False.

3. A computer can run without an operating system.

Ans : - False.

4. Spreadsheets and word processors are examples of application software.

Ans : - True
