Lesson -2

Read page 14 Learn and write Word -Meaning.

Her name is Maya. Kuldeep calls her 'Didi'. She gives lunch to Kuldeep, when he comes back from school. She also looks after his elder sister till Kuldeep's parents come home in the evening.

Kuldeep's grandparents live in Chandigarh with his uncles, aunts and cousins. On festivals Kuldeep's family goes to Chandigarh.

Kuldeep's father is very tall, but his brothers are very short. Kuldeep is also tall like his father. His sister, Kajal, is pretty like her mother.

Sometimes, the twins may look alike. Sometimes they look different.

Sometimes, children look like their father or mother. But sometimes they may look like their grandparent, uncle or aunt. All the members of a family use a common **surname**. The surname is written after the first name.

We are all special. We are different from others.
