Subject: English Grammar

Read this page and try to understand dictionary.

Words in a dictionary are arranged in alphabetical order. That makes it easy to find a word and its meaning.

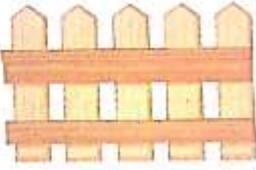

Alphabetical order means to arrange words in the order of the alphabet, 'A, B, C, D, ...'

First letter alphabetical order—cupboard, dustbin, sofa

Second letter alphabetical order—salt, sea, soup

Third letter alphabetical order—star, steel, strong

Let us look at an example of a dictionary page.

guide word	parts of speech	illustration

Assessment Work

Chapter-4 (Birds Behaviour)

Birds home -Nest

Birds build their nests **to lay eggs**. They build their nests high-up on **trees**, **in walls** and **cliffs**, on the ground or in houses.

Birds make a temporary home with **twigs**, **leaves** and **grass**. They hatch the eggs and take proper care of the young ones until they are ready to fly. After that the birds leave their nests.

Nest of a bird

Different birds make their nests in different ways.

- **Pewit** or **plover** lays eggs in the **scrap** on the ground.
- **Water birds** make their nest **on** or **beside the water**.

- **Pigeons** and **sparrows** make their nest in **our homes**. **Crow**, **parrot** and others make their nest on **trees**. Cuckoo never makes a nest. It lays its eggs in **crows' nest**.

- **Tailor bird** makes its nest by **sewing two or three large leaves**. It uses its beak as needle and **bits of wool, glass** or **spider's web** as thread.

- **The weaver bird** weaves its nest with **grass**. Its nest is **bottle - shaped**. It is very **cosy** and **safe**.

Answer the following questions.

1. Why birds make nests?
2. When do birds leave their nests?
3. Name the bird that lays eggs in scrap.
4. Where do the water birds lays eggs?
5. Where does cuckoo lay its eggs?
6. What things tailor bird use as thread to make its nest?
7. It is very _____ and _____.

H.W. – Try to find answers to the questions given. Answers will be given in the video.

Types of Houses

Houses are built to live in. We all live in the house. The house protects us from heat, cold, rain and storm. It also protects us from thieves and wild animals. Our house is a safe place to live in and it stores our things. We can rest and sleep in our house. We get peace, comfort and happiness in our house.

TYPES OF HOUSES

There are two types of houses : permanent houses and temporary houses.

स्थायी घर
