The tips of the fingers,
The back of the hands.

She bent down and soaped her feet
From her ankle to her toes,
Between the five toes.
The heel, lifting up one foot at a time.

The water flowed over her feet and hands. She looked at her hands again. They were clean!

Her mother called to her, 'Namrit, dinner is on the table. Let me see your hands.'

Namrit held out her hands for her mother to check.

'Clean hands make a healthy body,' her mother smiled.
'Now you will not be sick. Good girl.'
