Class: 3rd   Date: 4th June, 2020

Subject: English Grammarite

Watch video to understand better. Read this page and try to do given exercise.
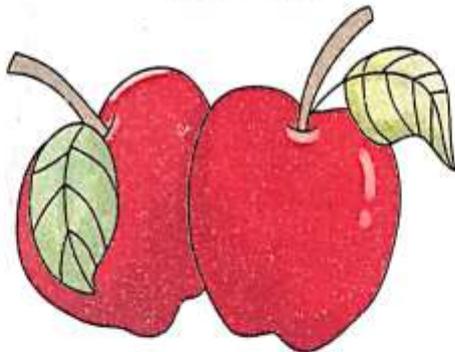

4 Adjectives

Let's link it

A. Circle the words that describe the pictures.

square   (red)   (two)   funny   (colourful)   (three)

Look at the words that describe the things in the pictures.

- red apples
- two apples
- colourful flowers
- three flowers

The words red, two, colourful, and three are adjectives.

Words that describe nouns are called **adjectives**.

Adjectives can be of different types. Let us look at the types of adjectives.

Types of adjectives	Answer the questions	Examples
Quality (beautiful, dirty, red, funny)	What kind?	• Sarah is a beautiful girl. • Raman cracks funny jokes.
Quantity (many, little, few, much)	How much?	• I have many friends. • I have few red pens.
Number (two, four, seven, nine)	How many?	• I have two pencils. • Jani brought eight puppies home.

B. Circle the adjectives in the given sentences. Then write what type of adjective it is—quality, quantity, or number. One has been done for you.

1. The red balloon floated up to the sky.   _quality_
2. Did you see that green car?   _quality_
3. Three fish swam in the pond.   _number_
4. Rohan has red pens.   _quality_
5. Sarita has a sweet voice.   _quality_
6. The rainbow has seven colours.   _number_
7. Manan is an intelligent boy.   _quality_
8. She brought many toffees to class.   _quantity_
9. Grandmother made a delicious dinner.   _quality_
10. Molly and Jenny tried to finish a difficult puzzle.   _quality_

Class: 3ʳᵈ   Subject: Maths

Solve in notebook.

10. Fill in the missing numbers.
